

## FAITH COVENANT MINISTRIES

LOVE | LIFE | LORDSHIP | LEADERSHIP

### Corporate Fasting & Prayer Focuses

Thursday, September 26- Sunday, September 29, 2024

During this fasting and prayer time, our primary focus is spiritual health; so, we will pray the same 3 things for each group (in addition to any other things you are led to pray):

1. Salvation for those not surrendered to the Lordship of Jesus Christ
2. A fresh revelation of who God is and what God would have them do
3. Help establishing and consistently maintaining daily and weekly sacred disciplines and rhythms

We will intercede for the 4 groups listed below:

1. The Health of you and your **Clan**
  - Consider Exodus 20:8-11; Ephesians 5:22-6:9
2. The Health of **Church Leaders**
  - Consider Ephesians 4:10-13, James 3:1

In recent months, several high-profile pastors and ministry leaders have taken a hiatus from ministry; or been removed from leadership due to burnout or sin. For all the ones the media talks about, there are countless others around the world. Listen to this thought from [Pastor Rich Villados](#). (While he references pastors, for which it is especially true, this same thing applies to all believers.)

### 3. The Health of **Congregations**

- Consider Matthew 28:18-20, Ephesians 4:14-16

### 4. The Health of (local, national, and international) **Communities**

- Consider Matthew 9:9-13, 35-38, Ephesians 2:14-22
- Also, remember the leaders, ministries, and organizations we serve with and sow into:
  - The St. Charles Community Council and Tri-County (St. Charles, Lincoln & Warren) Continuum of Care
  - Gerald Brooks Ministries
  - Africa- Rev. Jacob Guot (Africa Sunrise Communities) and Pastor Wilfred Kerosi
  - India- Rev. Peter John (Pakistan Gospel Ministries) and Minister Timothy Bontha
